Professional Summary

- Computer Science graduate with hands-on experience in Machine Learning, Data Analytics, and AI projects.
- Skilled in Python, NLP fundamentals, model training, feature engineering, data preprocessing, and predictive analytics.
- Passionate about building scalable AI solutions and applying machine learning techniques to solve real-world problems.

Skills

- Programming & Tools: Python, SQL
- Data Analytics: Data Cleaning, Dashboard Building, Data Visualization
- Basic knowledge of Power BI and Data Analysis
- Advanced MS Excel (VLOOKUP, HLOOKUP, Pivot Table, XLOOKUP)
- Professional Skills: Strong Communication, Leadership, Problem Solving, Teamwork

Internships & Experience

- Machine Learning Intern | Skillcraft Technology (1 month): Worked on data preprocessing, model building, and basic predictive analysis tasks. Applied Python and analytical techniques to understand real-world machine learning workflows and improve problem-solving skills.
- Data Visualization Intern | MintEdge (2 Months): Created dashboards, analytical reports, and visualized datasets using data analytics concepts.
- HR Intern | Mindgate Solutions (2 months): Supported HR operations, employee coordination, and internal communication activities in a professional work environment.

Projects

- Data Analytics & Visualization Dashboard Projects: Built dashboards and analytical reports using Power BI and structured datasets.

Education

- Bachelor of Science in Computer Science – B.K. Birla College | CGPA: 8.66
- HSC – B. K. Birla College | Maharashtra State Board | 60.00% (2022-23)
- SSC – Rita Memorial School | Maharashtra State Board | 85.00% (2020-21)

Languages

- English
- Hindi
- Marathi

Hobbies & Interests

- Dancing
- Literature
